

General Drugs

2026 PRODUCT CATALOGUE

General Drugs, operates in the pharmaceutical sector and aims to support healthy living through its food supplement products. With human health and quality of life at the heart of its approach, the company seeks to add value to everyday life through products designed to meet different needs.

Believing that health requires care and responsibility, **General Drugs** considers quality and trust among its core values. As it continues working towards a healthier tomorrow, it aims to stand alongside people on their journey to healthy living.

About Us

General Drugs was founded in 2013 through the shared vision of a pharmacist and a physician to offer consumers additive-free products made with natural ingredients in the healthcare sector. Drawing on our professional experience and expertise, we launched our first products in 2013, laying the foundation for our innovation and pioneering role in the industry.

Over time, we have steadily expanded our product range and market share. Today, guided by our “Healthy Lives” philosophy, we offer nearly 50 products. As a company dedicated to supporting nutrition through the products we deliver to consumers, we are committed to offering high-quality, natural choices.

We exclude any ingredients that could harm human health from all our products, use patented raw materials, and manage our manufacturing processes in accordance with halal standards. By keeping pace with technological advances, we continually improve our production processes and draw inspiration from nature to develop innovative, distinctive products that contribute to your health.

Without compromising our commitment to quality, we offer you, our valued consumers, only products we trust. We express our gratitude to everyone who has been with us throughout the years and take pride in accompanying you on your journey to better health.

At General Drugs, our mission is to continue developing pioneering products and to work towards helping you maintain the best possible health.

We are committed to standing by your side on your journey towards a healthy life.

PRODUCTS

MOTHER & CHILD PRODUCTS

BRUGGE CALMOTUSIN (100 ML)

Ingredients

Plantain Extract 100 mg

Thyme Extract 100 mg

Citrus Bioflavonoids 100 mg

Gum Arabic 100 mg

What Is It Used For?

Based on the traditional use of its herbal ingredients, Calmotusin with Honey may help soothe the throat and relieve irritation associated with a dry cough. It is a food supplement, not a medicine.

Directions for Use:

Children aged 4–10: take 1 spoonful (5 ml) daily. Individuals aged 11 and over: take 1 spoonful in the morning and 1 in the evening, totalling 10 ml daily. Do not exceed the recommended daily amount.

BRUGGE IRON (30 Tablets)

Ingredients

Iron 17 mg

Vitamin C 60 mg

Vitamin B12 375 mcg

What Is It Used For?

BRUGGE Iron is a food supplement containing iron, which contributes to the normal formation of red blood cells and haemoglobin and to the reduction of tiredness and fatigue. During pregnancy and breastfeeding, it should be used on a doctor's advice.

Directions for Use:

A food supplement containing iron and vitamins C and B12. If approved by a physician, take 1 tablet daily, swallowed with plenty of water. During pregnancy and breastfeeding, use only on a physician's advice. It is a food supplement, not a medicine.

BRUGGE OMEGA (30 Capsules)

Ingredients

Epa 468 mg

DHA 312 mg

Other Fatty Acids 780 mg

What Is It Used For?

BRUGGE OMEGA 3 is a food supplement containing DHA that supports maternal nutrition during pregnancy and breastfeeding and contributes to the baby's normal brain and eye development.

Directions for Use:

If approved by a physician, take 1 capsule daily during pregnancy, swallowed with plenty of water. Do not exceed the recommended daily serving.

MOTHER & CHILD PRODUCTS

BRUGGE FORFOLIC (30 Tablets)

Ingredients

Folate (5-MTHF) 400 mcg	Vitamin B6 10 mg
Selenium 55 mcg	Vitamin D3 10 mcg
Iodine 150 mcg	Vitamin B12 2,5 mcg

What Is It Used For?

FORFOLIC is a food supplement containing active folate (5-MTHF), which contributes to maternal tissue growth during pregnancy and normal blood formation.

Directions for Use:

A food supplement containing folate in the form of 5-MTHF, iodine, selenium and vitamins B6, B12 and D3. Adults are advised to take 1 tablet daily with a glass of water. During pregnancy and breastfeeding, use as advised by a physician. It is a food supplement, not a medicine.

BRUGGE OBUURON (100 ml)

Ingredients

Watercress Extract	15 ml
Chicory Extract	60 mg
Gentian Root	2,4 mg
Manganese	2,4 mg
	0,7875 mg

What Is It Used For?

A food supplement that supports daily nutrition with herbal extracts and manganese. Its manganese content contributes to normal energy-yielding metabolism.

Directions for Use:

Children aged 4-10 are advised to take 7.5 ml twice daily. Individuals aged 11 and over are advised to take 15 ml twice daily. Take before meals using the measuring spoon provided in the pack.

BRUGGE INALTO (100 ml)

Ingredients

L-Arginine 250 mg	Vitamin B1 1 mg	Vitamin A 240 µ
Vitamin C 70 mg	Vitamin E 0,55 mg	Folic Acid 150 µ

COSMETIC

PRODUCTS

LELIPA BOTTLE CLEANER (500 ML)

Lelipa 100% Natural Bottle Cleaner is a practical cleaning product developed for cleaning feeding bottles and teats used by babies and children. Its formula, described as 100% natural, and convenient pump dispenser help make the daily cleaning of bottles and feeding equipment easier.

Directions for Use:

Wet the equipment to be cleaned with water. Apply a sufficient amount of product to the surface or cleaning tool, then thoroughly clean the bottle, teat and components. Rinse completely with plenty of water and leave to dry.

LELIPA SURFACE CLEANER (500 ML)

Lelipa Surface Cleaner is a practical spray cleaner designed for everyday surface cleaning in homes with babies and children. Its easy-to-use spray nozzle helps clean suitable household surfaces. The 500 ml pack is convenient for daily use.

Directions for Use:

May be used for everyday cleaning of suitable hard surfaces around the home. It can be applied to tables, worktops, areas around high chairs and similar surfaces. However, check the label before using it on surfaces not specified in the product's official instructions.

LELIPA BABY SHAMPOO (250 ML)

Lelipa Baby Shampoo is a gentle care shampoo designed for your baby's delicate hair and scalp. Its tear-free, vegan formula with natural ingredients helps provide gentle cleansing during the daily bath routine. The product is dermatologically tested and comes in a 250 ml pack.

Directions for Use:

Wet your baby's hair and scalp with lukewarm water. Apply a sufficient amount of shampoo to the hair and gently work into a lather. Rinse thoroughly with plenty of water.

LELIPA BABY & KIDS TOOTHPASTE (50 ML)

Lelipa 100% Natural Baby & Kids Toothpaste is a fluoride-free toothpaste developed for the daily oral care of babies and children. Its 100% natural, vegan formula and gentle cleansing properties help support children's daily dental hygiene. The dermatologically tested product comes in a 50 ml pack.

Directions for Use:

Apply an appropriate amount of toothpaste to a children's toothbrush. Gently brush the teeth and gums. May be used as part of a regular oral and dental care routine.

LELIPA ROSEMARY ESSENTIAL OIL (10 ML)

Lelipa Rosemary Essential Oil is an essential oil obtained from *Rosmarinus officinalis*, with the characteristic aroma of rosemary. Suitable for aromatherapy and fragrance applications, it comes in a practical 10 ml amber bottle.

Directions for Use:

For aromatherapy, use in a diffuser or aroma device in the amount specified by the device manufacturer. For skin applications, dilution with a suitable carrier oil is recommended instead of direct application.

LELIPA JOJOBA ESSENTIAL OIL (10 ML)

Lelipa Jojoba Oil is jojoba oil obtained from *Simmondsia chinensis*. Suitable for skin and hair care routines, it comes in a practical 10 ml amber bottle. It can easily be incorporated into daily personal care.

Directions for Use:

Jojoba oil can be used for skin care, body care and suitable hair care applications. It is particularly suitable for users who wish to add an oil-based product to their care routine.

LELIPA LAVENDER ESSENTIAL OIL (10 ML)

Lelipa Lavender Essential Oil is an essential oil obtained from *Lavandula angustifolia*, with a pleasant and characteristic lavender aroma. Suitable for aromatherapy and appropriate personal care applications, it comes in a 10 ml amber glass bottle.

Directions for Use:

For aromatherapy, use in a diffuser or aroma device in the amount specified in the device's instructions. If applying to the skin, dilution with a suitable carrier oil is recommended.

LELIPA BABY & KIDS SOOTHING HAND CREAM

(10 ML)

Lelipa Baby & Kids Soothing Hand Cream is a care cream made with 100% natural ingredients, developed for the delicate hands of babies and children. Its dermatologically tested formula, described as vegan, helps moisturise hands and maintain their softness. It comes in a practical tube for daily use.

Directions for Use:

Apply a sufficient amount of cream to clean, dry hands. Gently massage over the hands until fully absorbed. Reapply throughout the day as needed.

LELIPA AVOCADO OIL SOOTHING HAND CREAM

(10 ML)

Lelipa 100% Natural Avocado Oil Soothing Hand Cream helps provide daily hand care with its natural cosmetic formula containing avocado oil. The product helps moisturise hands and leave them feeling softer. It is dermatologically tested and described as vegan. Its practical tube makes it suitable for daily use.

Directions for Use:

Apply a sufficient amount of cream to clean, dry hands. Gently massage until fully absorbed. Reapply throughout the day as needed.

LELIPA BABY CARE CREAM

(100 ML)

Lelipa 100% Natural Baby Care Cream is a care cream with natural ingredients, containing zinc oxide and calendula, developed for the daily care of babies' delicate skin. Its soothing and protective formula is dermatologically tested and cruelty-free, and is designed for babies' skin care routines. It comes in a 100 ml pack.

Directions for Use:

Apply a sufficient amount of cream to clean, dry skin. Spread gently over the skin. Reapply throughout the day as needed.

LELIPA BABY & KIDS LAUNDRY DETERGENT

(1 L)

Lelipa Baby & Kids Laundry Detergent is a hypoallergenic laundry detergent with a plant-based formula, developed for the everyday cleaning of babies' and children's clothes. Its dermatologically tested formula, described as gentle on the skin, helps provide effective cleaning for daily laundry. Its 1 L pack offers convenient use.

Directions for Use:

Add to the washing machine's detergent compartment, following the product's recommended dosage. Select a washing programme suitable for the colours and fabric types of the laundry.

LELIPA BABY & KIDS FABRIC SOFTENER

(1 L)

Lelipa Baby & Kids Fabric Softener is a hypoallergenic fabric softener with a plant-based formula, developed for the everyday care of babies' and children's textiles. Its dermatologically tested formula, described as gentle on the skin, helps maintain fabric softness. The 1 L pack offers convenient use for daily laundry care.

Directions for Use:

Add to the washing machine's fabric softener compartment without exceeding the recommended amount. Select a washing programme according to the fabric's care instructions. Use the fabric softener compartment rather than pouring the product directly onto fabrics.

LELIPA BABY OIL

(250 ML)

Lelipa Baby Oil is a baby oil with a gentle, nourishing natural formula, developed to provide daily care for your baby's delicate skin. It helps care for the skin and maintain its softness. The 250 ml pack is suitable for daily use.

Directions for Use:

After bathing, apply a sufficient amount to clean, dry skin. Massage gently into the skin. Use as part of a daily care routine as needed.

SCHUTTZER

PRODUCTS

SCHUTTZER VOLUMISING CARE SHAMPOO WITH 9 ACTIVE INGREDIENTS (400 ML)

Schuttzer Volumising Care Shampoo with 9 Active Ingredients has been developed to support the care of hair prone to shedding and slow growth, helping hair strands look fuller and well cared for.

Directions for Use:

Thoroughly wet your hair, then apply a sufficient amount of shampoo to the roots and scalp. Gently massage with your fingertips to create a lather, then rinse with plenty of water. Repeat if needed.

SCHUTTZER KERATIN MILK SHAMPOO (500 ML)

Schuttzer Keratin Milk Shampoo has been developed to support the daily care of damaged, dry hair in need of attention. Its special formula containing keratin, B5 and betaine helps cleanse the hair while supporting a stronger, softer and well-cared-for appearance.

Directions for Use:

Thoroughly wet your hair, then apply a sufficient amount of shampoo to the scalp and hair. Gently massage with your fingertips to create a lather, then rinse with plenty of water. Repeat if needed.

SCHUTTZER KERATIN & BIOTIN NOURISHING CONDITIONER (500 ML)

Schuttzer Keratin & Biotin Nourishing Conditioner helps leave hair feeling soft, smooth and easy to comb. Its White Tea & Neroli fragrance adds an elegant scent to your care routine. Suitable for daily use, its formula helps hair look shinier and well cared for.

Directions for Use:

After shampooing, apply a sufficient amount to the lengths and ends of the hair. Distribute gently, leave on for 1–3 minutes and rinse with plenty of water. Use daily or as often as needed. For fine hair or hair that becomes oily quickly, applying mainly to the ends is recommended.

SCHUTTZER KERATIN (500 ML)

Schuttzer Keratin Strengthening Shampoo helps gently cleanse the hair while supporting stronger, smoother and well-cared-for-looking strands. Shampoos containing keratin may help the hair surface feel smoother and easier to comb, particularly on damaged and chemically treated hair.

Directions for Use:

Thoroughly wet your hair. Apply a sufficient amount of shampoo to the scalp and hair, massaging gently with your fingertips. Rinse thoroughly with plenty of lukewarm water. Repeat if needed. A suitable conditioner or hair mask may be used to complete the hair care routine.

SCHUTTZER

PRODUCTS

SCHUTTZER SHOWER GEL (250 ML)

Schuttzer Shower Gel is designed to gently cleanse your skin during your daily shower while providing a refreshing and pleasant experience. Suitable for all skin types, its formula helps leave the skin feeling clean, soft and revitalised.

Directions for Use:

Apply a sufficient amount of shower gel to wet skin while showering. Gently massage into a lather, then rinse with plenty of water. Use as part of your daily shower routine.

SCHUTTZER MICELLAR (200 ML)

Schuttzer Micellar helps gently remove make-up, accumulated dirt and excess oil as part of your daily skin care routine. Formulated with 96% natural ingredients, it helps maintain the skin's moisture balance while providing a fresh and comfortable cleansing experience.

Directions for Use:

Apply a sufficient amount of micellar water to a cotton pad. Gently wipe away make-up and impurities from the face and eye area. Use in your daily care routine without rinsing.

SCHUTTZER KERATIN OIL PROFESSIONAL (150 ML)

Schuttzer Keratin Oil Professional is a hair care oil developed to complement daily hair care and add softness. Its softening effect supports hair care, while its strengthening care approach addresses the hair's everyday needs.

Directions for Use:

Place a small amount in your palm and spread it between your hands. Apply evenly to the lengths and ends of the hair. Avoid concentrating the product in one area. Adjust the amount according to your hair's length and thickness, starting with a small amount and increasing as needed. Follow the instructions on the packaging for the application method and frequency.

SCHUTTZER BIOTIN & CAFFEINE (150 ML)

Schuttzer Biotin & Caffeine is a spray tonic developed to support anti-hair-loss care and help strengthen the hair. Suitable for all hair types, its leave-in formula can easily be incorporated into a daily hair care routine. The spray format allows convenient application, while the no-rinse formula allows hair to be styled after use.

Directions for Use:

Divide the hair into sections and spray evenly onto the roots. Gently massage with your fingertips to distribute. Do not rinse after application. Follow the packaging instructions for the amount and frequency of use. Avoid spraying onto the eyes and face.

SCHUTTZER

PRODUCTS

SCHUTTZER INTENSIVE MOISTURIZING CARE MASK (200 ML)

Schuttzer Hydra Intensive Moisture Hair Mask has been developed to provide intensive care for hair in need of hydration. Its formula combines hyaluronic acid, biotin and collagen to complement your hair care routine. It helps dry-feeling hair become softer and better cared for, while offering a complementary mask treatment for those who wish to devote extra time to their hair care.

Directions for Use:

After washing your hair, gently remove excess water. Distribute a sufficient amount evenly through the lengths and ends. Adjust the amount according to your hair's length and thickness.

SCHUTTZER SCALP SCRUB (200 ML)

Schuttzer Scalp Scrub has been developed to combine cleansing and moisture support in hair care. It complements your routine with cleansing care and a focus on hydration. It offers a complementary purifying treatment for those who wish to add an exfoliating step to their hair-cleansing routine.

Directions for Use:

Apply to the scalp as directed on the packaging. Distribute gently, avoiding vigorous rubbing and the use of fingernails. Follow the manufacturer's instructions regarding the amount to apply, whether the hair should be damp or dry, the leave-on time and rinsing.

SCHUTTZER INTENSIVE MOISTURIZING CARE OIL (200 ML)

Schuttzer Hydra Intensive Moisture Hair Oil has been developed to care for hair in need of hydration. Its formula containing hyaluronic acid, biotin and collagen complements your hair care routine. It provides care for hair that needs moisture support and helps leave it feeling softer and well cared for.

Directions for Use:

Place a small amount in your palm and spread it between your hands. Apply evenly to the lengths and ends of the hair. Avoid concentrating the product in one area. Adjust the amount according to your hair's length and thickness.

SCHUTTZER HAIR WAX (200 ML)

Schuttzer Hair Wax is a styling product developed to provide strong hold, a natural appearance and long-lasting style. It helps you create your desired hairstyle and maintain its shape.

Directions for Use:

Take a small amount with your fingertips and spread thoroughly between your palms. Apply evenly to the hair and style as desired using your hands or a comb. Work on individual sections for a more defined look.

SCHUTTZER

PRODUCTS

SCHUTTZER BODY CARE OIL (200 ML)

Schuttzer Body Care Oil has been developed to complement daily body care and help the skin feel softer. The mixed-fruit range, featuring apple, grape and pomegranate, adds an enjoyable step to body care. It offers a complementary care option for those who wish to look after their skin and make time for themselves in their daily routine.

Directions for Use:

Apply a sufficient amount to clean skin. Massage gently into the desired area using circular movements. Adjust the amount according to the size of the application area and your skin's needs. Start with a small amount and increase if needed.

SCHUTTZER BODY SCRUB (200 ML)

Schuttzer Body Scrub has been developed to help remove dead skin cells from the skin's surface and promote a smoother appearance. Its formula containing natural fruit extracts complements your body care routine.

Directions for Use:

Apply a sufficient amount to damp skin on the body. Massage gently using circular movements, avoiding vigorous rubbing. Rinse thoroughly with plenty of water after application. Gently dry the skin with a soft towel.

SCHUTTZER COLLAGEN GEL (250 ML)

Schuttzer Collagen Gel is a collagen facial cleansing gel that combines daily facial cleansing with skin care. It helps remove accumulated dirt and excess oil from the skin's surface, supporting a clean and well-cared-for appearance.

Directions for Use:

Lightly wet your face with water. Place a sufficient amount in your palm and apply gently to the face using circular movements, avoiding the eye area. Rinse thoroughly with plenty of water and pat dry with a soft towel without rubbing. Follow the packaging instructions for frequency of use.

SCHUTTZER EAU THERMALE (100 ML)

Schuttzer Eau Thermale is a thermal water spray that complements daily skin care. Highlighting the thermal springs of Yalova Armutlu, it offers a practical care step for those seeking a refreshing sensation on their skin. Its spray nozzle makes application easy, while the 100 ml pack accompanies your care routine at home, at work and when travelling.

Directions for Use:

Close your eyes and mouth, then spray onto the skin from the distance recommended on the packaging. Do not direct the spray into your eyes and avoid inhaling it. Follow the manufacturer's instructions for leave-on time, drying and reapplication.

SCHUTTZER BLACK MASK (100 ML)

Schuttzer Black Mask is a peel-off facial mask containing activated charcoal, developed to help remove dirt and excess oil from the skin's surface. It provides care targeting the appearance of blackheads while supporting a cleaner, well-cared-for complexion.

Directions for Use:

Apply an even layer to clean, dry skin, avoiding the eye area, lips, and eyebrows. Allow to dry completely, then gently peel off from the edges. Rinse off any residue with lukewarm water.

SCHUTTZER WHITENING MASK (100 ML)

Schuttzer Whitening Mask is a care mask developed to help the skin tone appear more even. It complements the daily skin care routine with an approach that supports a bright and refreshed appearance.

Directions for Use:

Apply a sufficient amount evenly to clean skin, avoiding the eye and lip areas. Observe the leave-on time stated on the packaging. Follow the manufacturer's instructions for removing the product and frequency of use.

SCHUTTZER ACTIVE CARBON (100 ML)

Schuttzer Active Carbon is a toothpaste developed to support oral and dental hygiene with its black formula containing activated charcoal. It aims to help teeth appear whiter and provide a clean, fresh-breath sensation.

Directions for Use:

Apply the amount recommended on the packaging to your toothbrush. Gently brush the front, back and chewing surfaces of the teeth without excessive pressure. Spit out the toothpaste after brushing; do not swallow.

PRODUCTS

SCHUTTZER HELLO WHITE SMILE (50 ML)

Schuttzer Hello White Smile is an oral care product developed to improve the appearance of tooth colour. Its Colour Corrector approach, aimed at a whiter and brighter-looking smile, adds a cosmetic touch to your oral care routine. The pump dispenser makes it easier to dispense a controlled amount and apply the product conveniently.

Directions for Use:

Apply the amount stated on the packaging using the recommended method. Follow the manufacturer's instructions regarding use with a toothbrush, contact time in the mouth and rinsing. Do not exceed the specified application time or frequency of use. Do not swallow.

SCHUTTZER WHITE PLUS+ (100 ML)

Schuttzer White Plus+ is a whitening toothpaste that combines dental cleaning with the aim of a whiter smile. It provides care to help teeth look cleaner and brighter. It has been developed for those who want both cleanliness and a whiter appearance in their oral care routine.

Directions for Use:

Use the amount and method stated on the packaging. Follow the manufacturer's instructions regarding frequency of use, age suitability and brushing time. Avoid excessive pressure while brushing. Spit out the toothpaste after use; do not swallow.

SCHUTTZER BLACK & WHITE (50 ML)

Schuttzer Black & White is a roll-on deodorant developed to provide freshness and protection against body odour as part of daily personal care. Its aluminium-free formula, designed for 24-hour effectiveness, accompanies your care routine throughout a busy day. The roll-on applicator makes direct and controlled application to the underarms easy.

Directions for Use:

Gently roll the applicator over clean, dry underarms. Distribute evenly across both underarms. Allow to dry before dressing. Follow the packaging instructions for the amount to use and frequency of reapplication.

PRODUCTS

SCHUTTZER BODY BOOM

(150 ML)

Schuttzer Body Boom is a body spray developed to add freshness to daily body care and help the skin feel smoother. Its refreshing care approach meets the need to freshen up throughout the day. The practical spray format allows easy application and complements your personal care routine.

Directions for Use:

Spray evenly onto clean skin on the body from the distance recommended on the packaging. Avoid the face, eyes and sensitive areas, and do not inhale the spray. Follow the manufacturer's instructions regarding the amount, frequency of application and any steps required after use.

SCHUTTZER MAKE-UP FIX SPRAY

(100 ML)

Schuttzer Make-Up Fix Spray is a dual-action make-up spray that helps set make-up and give the skin a radiant appearance. Used as the final step in make-up application, it helps preserve the finished look.

Directions for Use:

After completing your make-up, close your eyes and mouth and spray evenly over the face from the distance stated on the packaging. Avoid inhaling the spray. Allow it to dry without rubbing your face to prevent disturbing your make-up.

SCHUTTZER PROTECT

(100 ML)

Schuttzer Protect is a body lotion used to help repel flying insects. It complements your personal protection routine when spending time outdoors. Offered with a claim of 6-hour protection on the packaging, its spray nozzle provides convenient application.

Directions for Use:

Apply the recommended amount only to the body areas specified on the label. Do not spray directly onto the face; avoid contact with the eyes, mouth and other sensitive areas. Do not inhale the spray during application. Follow the manufacturer's instructions regarding reapplication intervals, daily usage limits and age suitability. Do not interpret the "6-hour protection" statement on the packaging as an automatic instruction to reapply every six hours.
